## The Right Solution

- All components guaranteed for 10 years
- Over 3 billion components in stock and ready to ship, valued over \$1 billion
- Stocking active, passive and electromechanical components from over 1,400 manufacturers
- Hard-to-find and allocated products
- Long lead-time semiconductors
- Additional sourcing via a proprietary global inventory locator valued at \$10 billion
- Excess inventory purchase and consignment program
- 336,000 square foot North American distribution facilities
- ISO 9001:2008 and ANSI/ESD-S20.20 2007
- Member of IDEA and SMTA
- Six Sigma Green Belt Certified Component Engineer
- NARTE Certified ESD Technician
- In-house third-party test facility
- 5A2 D&B rated
